Getting Started with Inspire

STEP 3: Next, we'll contact you to schedule an orientation meeting for your planning team. This meeting should include:

- Principal and/or Assistant Principal
- School Counselors
- CTE Teachers
- 2 Special Education Teachers
- 2 Academic Subject Teachers
- 2 Business Partners
- 2 Students (if possible)
- 2 Parents (if possible)

STEP 2: Our team will review your intake form to make sure you meet all the pre-qualifying conditions that will set you up for success.

STEP 1: Districts/Schools who are interested in becoming a GROW.HERE. partner and using Inspire can submit an intake form at:
www.m7talentpartnership.org/educators/

STEP 4: We will turn on Inspire for your district/school once you've met the criteria identified during your orientation meeting and submitted information regarding your implementation plan.

STEP 5: Once Inspire has been turned on for your district, CESA #1 offers a customized three-year plan of support that will help ensure a successful implementation of Inspire and career-based learning for your students.
